

*Introducing*

Power To Treat Constipation *COMPREHENSIVELY*

# <sup>Rx</sup> Laxipower<sup>®</sup>

ORAL POWDER

NATURAL LAXATIVE ORAL POWDER

Combines multiple laxative agents for maximum laxative action

- Empowered with Isabgol Husk
- Augmented by Senna and Triphala

### Psyllium husk- An FDA approved Bulk laxative

- Ensures adequate fecal bulk thus initiates, promotes and causes continued colonic movements

### Senna -The most preferred stimulant laxative as per Lawrence

- Stimulates colonic smooth muscle contractions
- Causes forward fecal movement for faster exit

### Triphala –Balances metabolic physiology of colon

- Helps proper digestion
- Reduces flatulence
- Ensures faster fecal transit and maximal bowel evacuation

Non-habit forming

Delicious Orange Flavour

#### Dosage:

Advise patients to mix 10 g of powder in 200 ml of water, stir well, and consume immediately once a day at bedtime for 14 days
